

CITY OF GARDNER GREENBOWER CEMETERY

"Information displayed must not be used for authoritative boundary determinations or for authoritatively locating physical objects; the authoritative determination of boundary or other physical locations remains the purview of the professional land surveyor and, in the absence of a survey, the professional engineer. It is noted that legal parcel boundaries may not be coincident with visible features, and that some features (e.g. the coastline, river banks, and pond/lake edges) can move over time. Therefore, assumptions about coincidence with visible features must be carefully reviewed, case-by-case."
